Mrs. Hall

To tell ya the truth, at first I thought this class was going to be the worst class of the day, BUT, when I got to know you and the class got better. Thanks for talking with me about "We-know-who" (B.J.N.) You made me feel so much better. I like you guys and I was glad you were there for time to listen.

See ya - OK?

SPIRIT DAYS

Let's get Physical

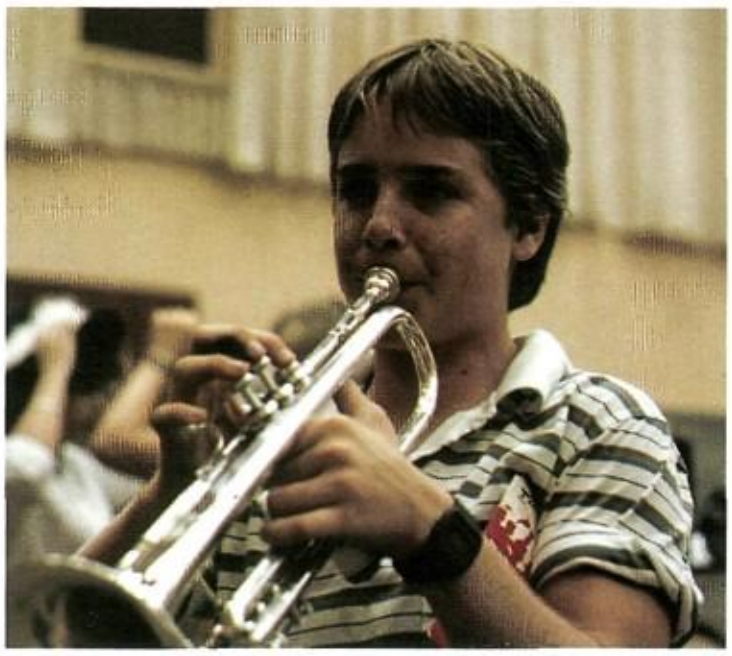
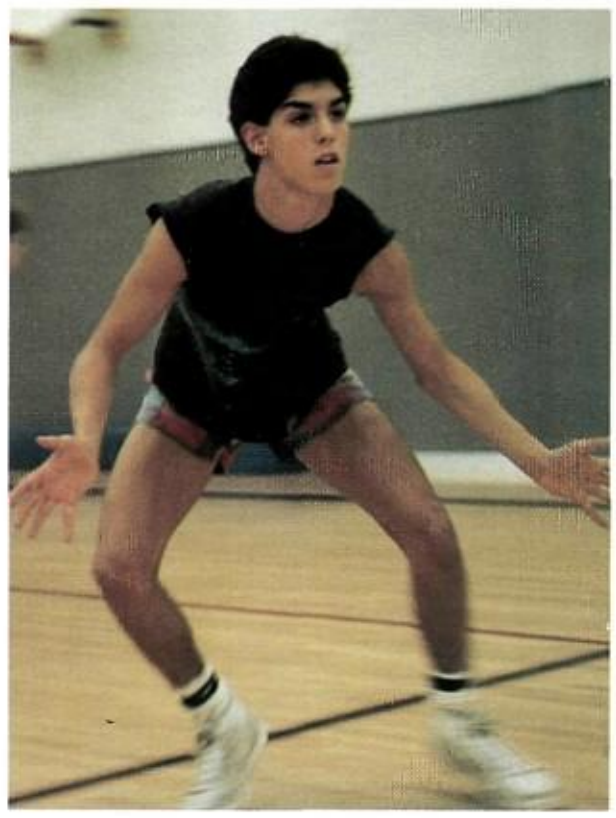
Fantasy Day

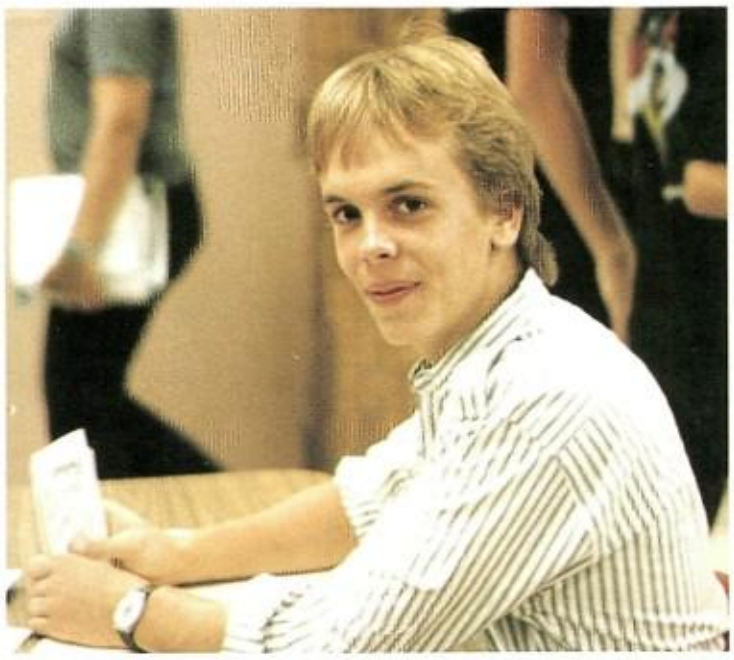
Marcus . . . crowded hallways and friendly faces. A sophisticated school in a small town atmosphere. Its large number of organizations and activities give each student a chance for that sense of belonging, which in turn creates the spirit of the school.

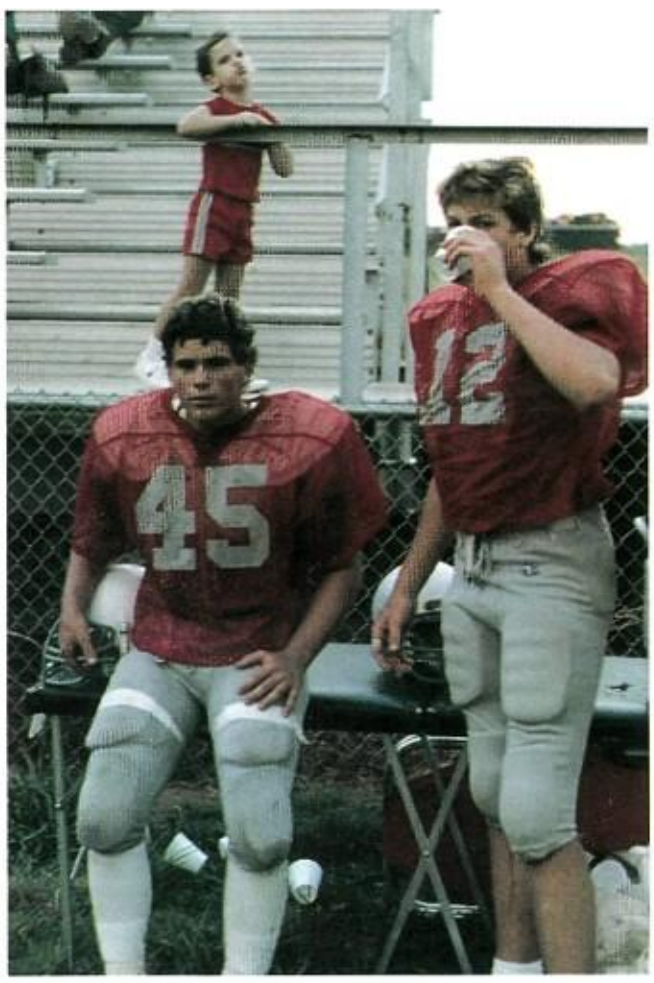
Marcus may be fairly new, with its round library, computer rooms, full labs, and fresh paint, but classic traditions are already beginning to seep from the corners . . .



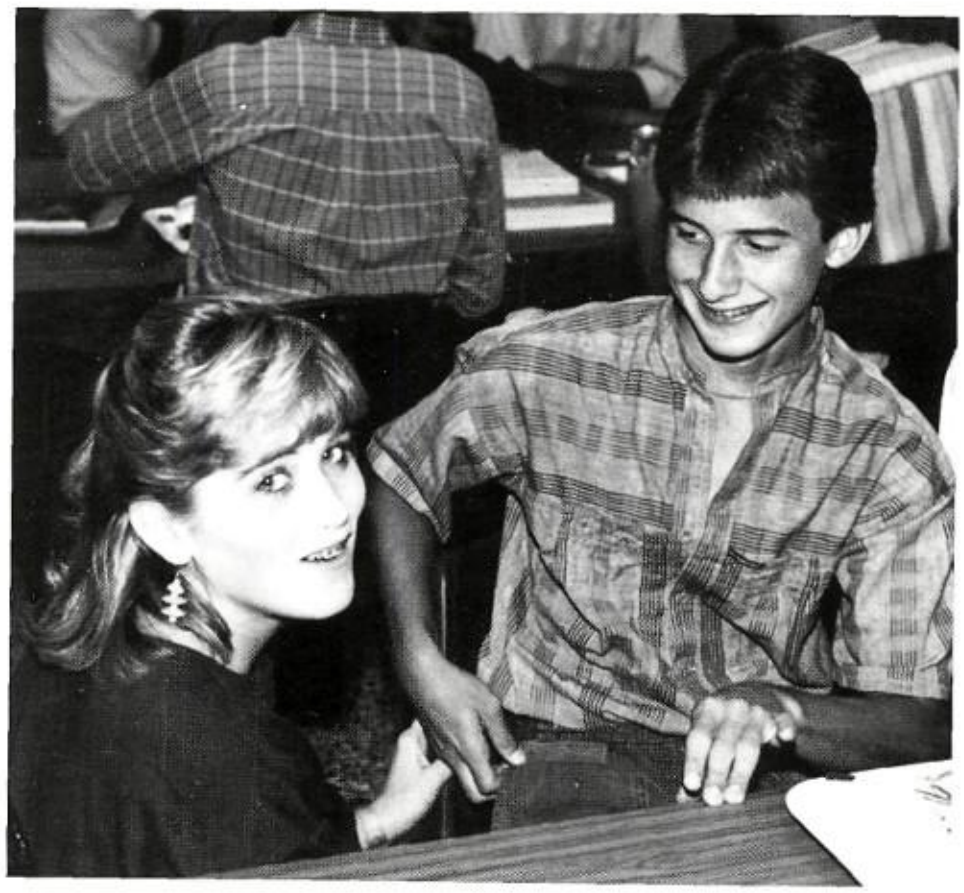


. . . in the way students respect and care about each other and the history that they are making every day and every year.

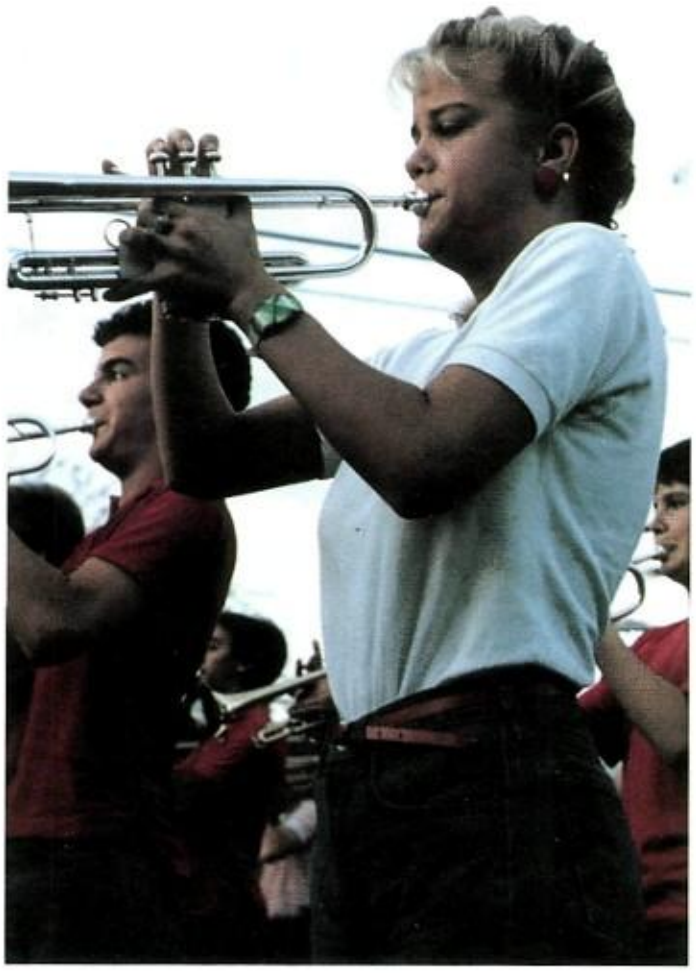


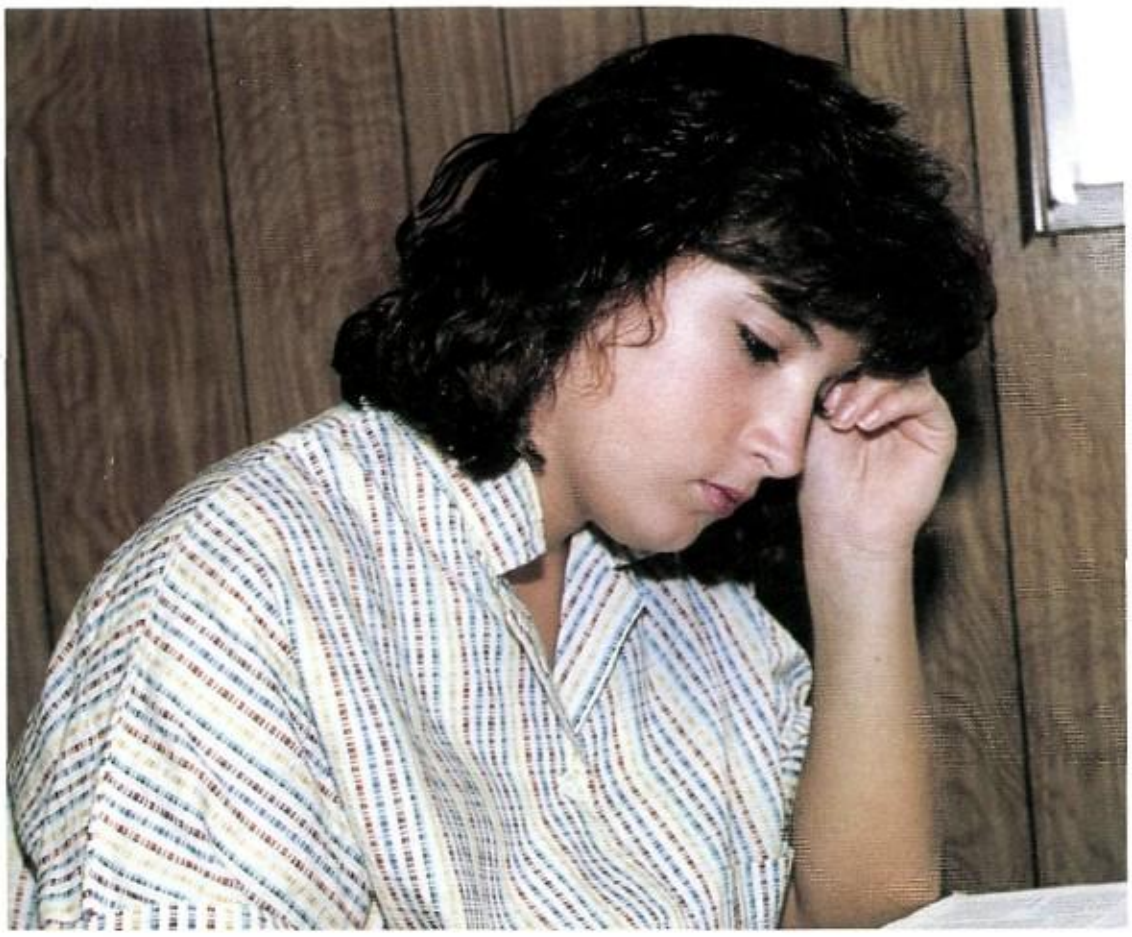


Marcus is definitely crowded. But it is because of these crowds that people find friends they will always cherish . . .



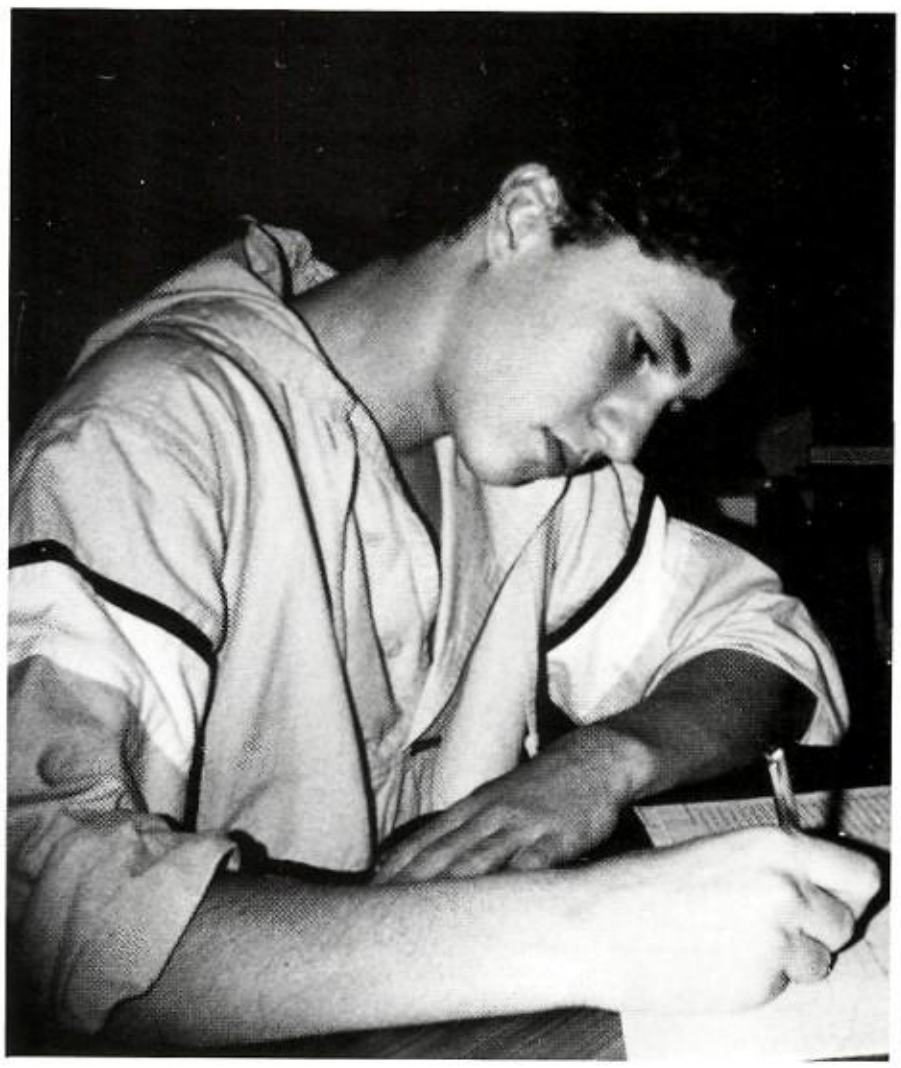
. . . It is because of this crowd that people see different views, ideas, and personalities. This crowd is made up of all the different students at Marcus, and it's these students that make Marcus a classic.

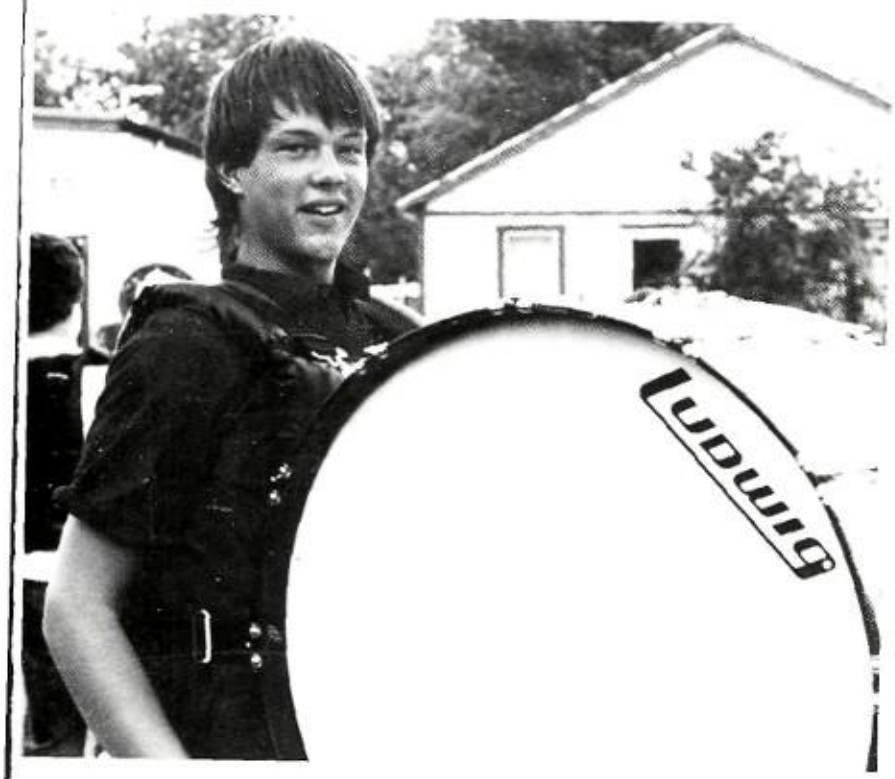




Marcus is the biggest two year high school in the nation, with over 2600 students. Yet it is located in the small city of Flower Mound, some 30 miles north of Dallas. The size of this school and the diversity of the students truly makes Marcus a unique school.

Many students will go on to LHS and The Colony HS next year and we will miss them all. But the new students will come . . .





. . . as Marcus becomes a four year High School. New friendships will develop, and each new generation will feel the spirit of our school.

Many times we will look back and remember the jammed lockers, the crowded hallways, the pep rallies, the rained out football games, the exams, the smiling faces, and the relief on Friday of having gone through another week.

STUDENT LIFE

GETTING TOGETHER

Marcus certainly has many different activities that make up student life. Getting together with your friends at football games to cheer on your team . . . struggling through lunch lines for that food you only get five minutes to eat . . . These are just a couple of activities in the busy routine we all go through everyday and every week. There are always times when we want to just give up, but the closeness and friendships we obtain from these experiences seem to help pull us through.

Fifties' Day and MTV Day . . . Western Day, Mad Hatter Day, and Pillowcase Day . . . Classical themes for classical spirit days. Spirit, like Marcus, is made of different things. Spirit shows your creativeness, your individualism, and, of course, your devotion to the school.

COSTUMES EXPRESS INDIVIDUALITY

All of the spirit days showed different characteristics of Marcus and its students. The characteristics that make Marcus and its students a classic.

PEP RALLIES GENERATE SPIRIT

Pep rallies are and always have been a big part of everyone's high school years. Our cheerleaders, Marquettes, and band all aid the student body in the spirit-filled activities our pep rallies are made up of. It is the students yelling and clapping, showing their spirit, that make you proud to say that you are a Marcus High School student.

NEWSPAPER AND YEARBOOK PRODUCTION PROVES DEDICATION

Looking back in the year of journalism we remember the good times and hard times. We remember the unity in trying to get our projects done, pulling together with our newly made friends and working to our best ability to make the school proud . . . the relief when making the deadlines and the happiness when we realized we were getting it done.

If there was one word to describe this year's journalism classes, that word would be dedication.

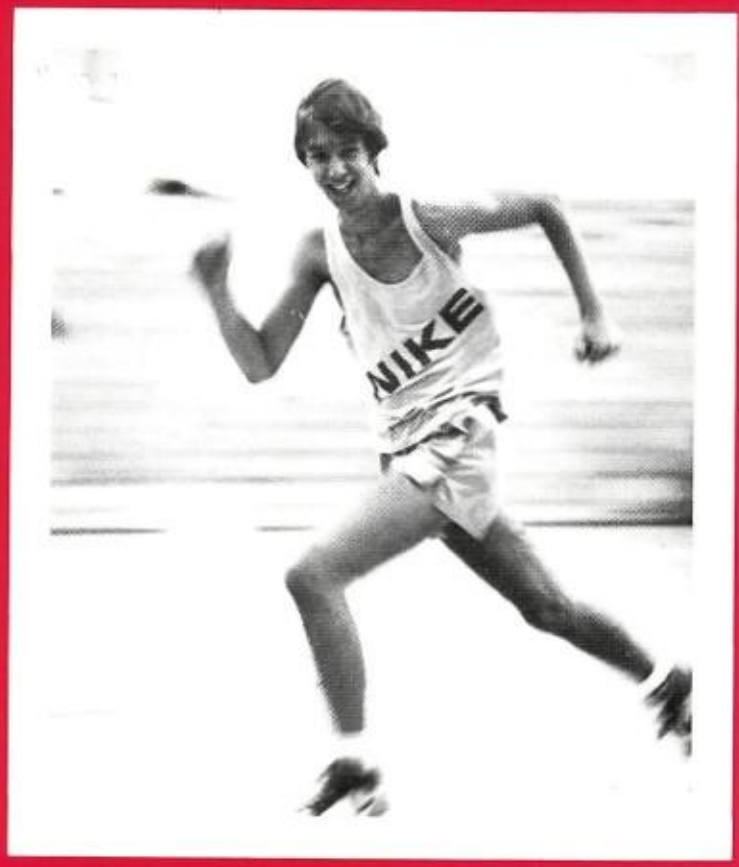
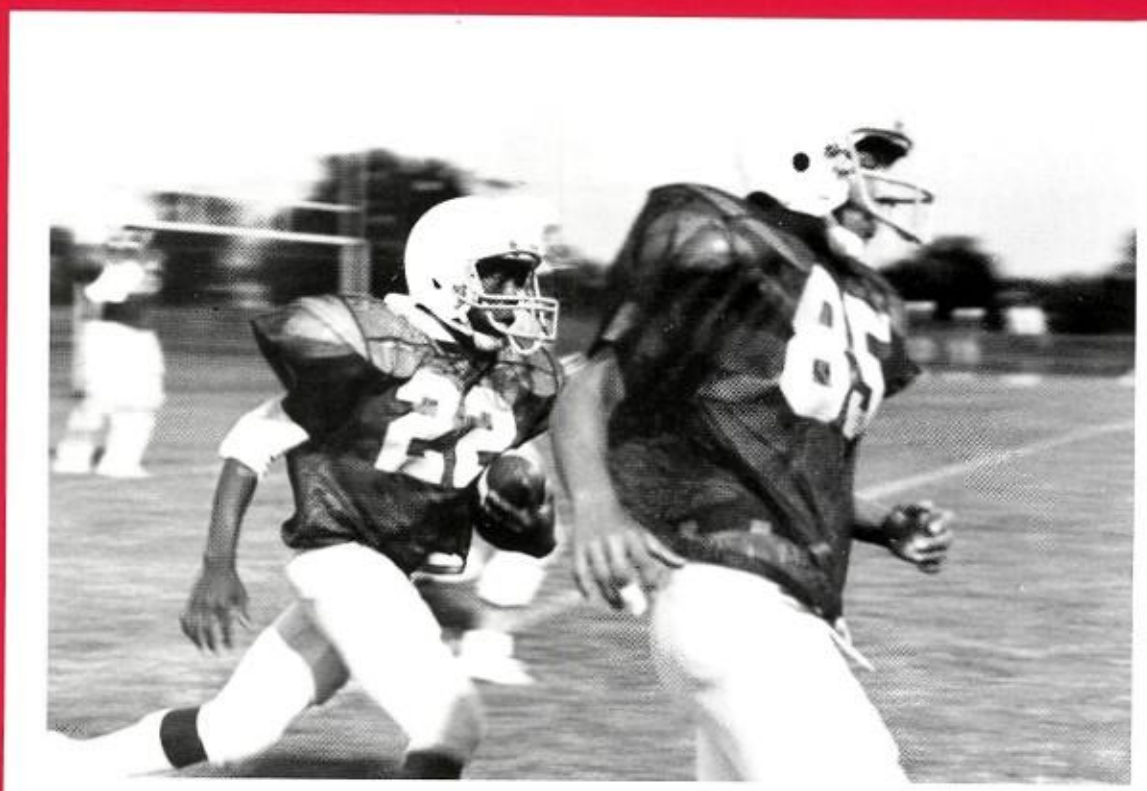
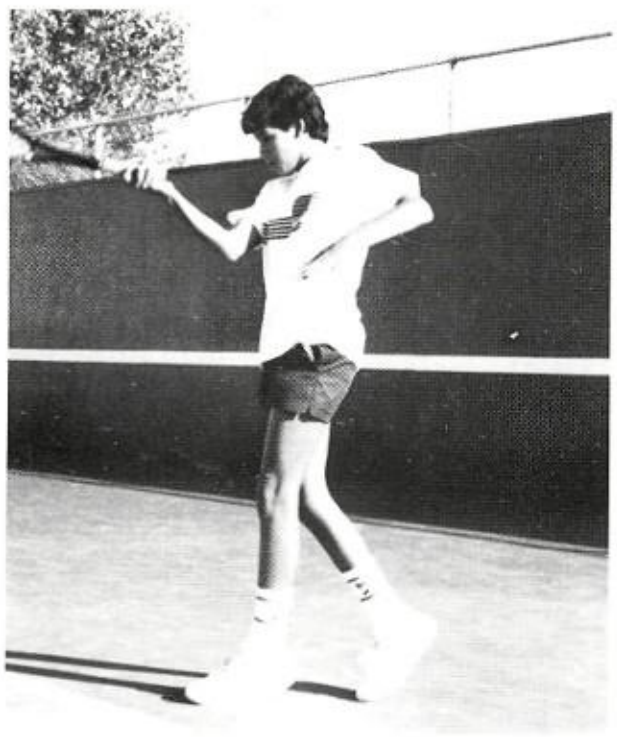
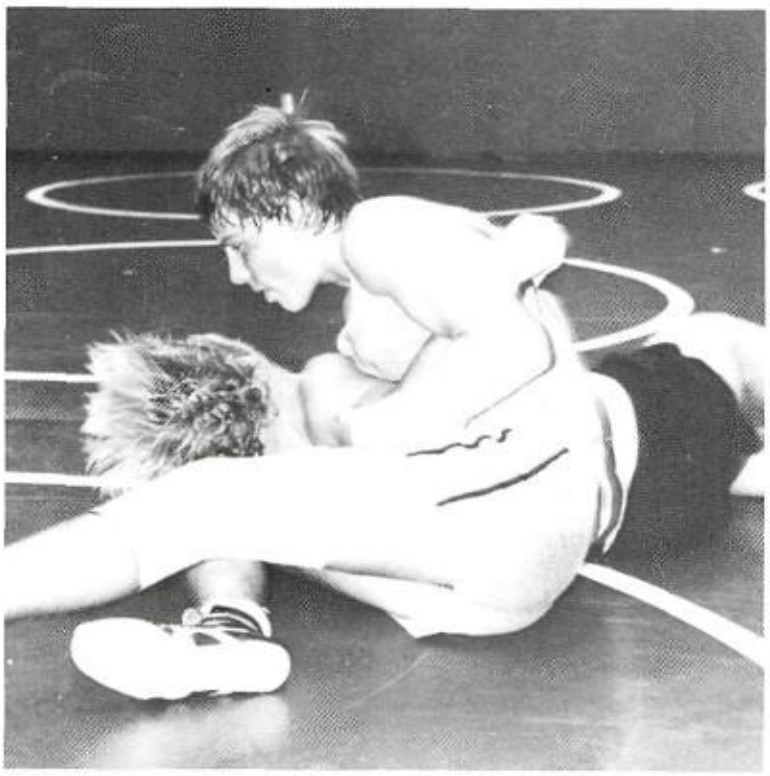
ATHLETES EXCEL ON CHOSEN FIELD

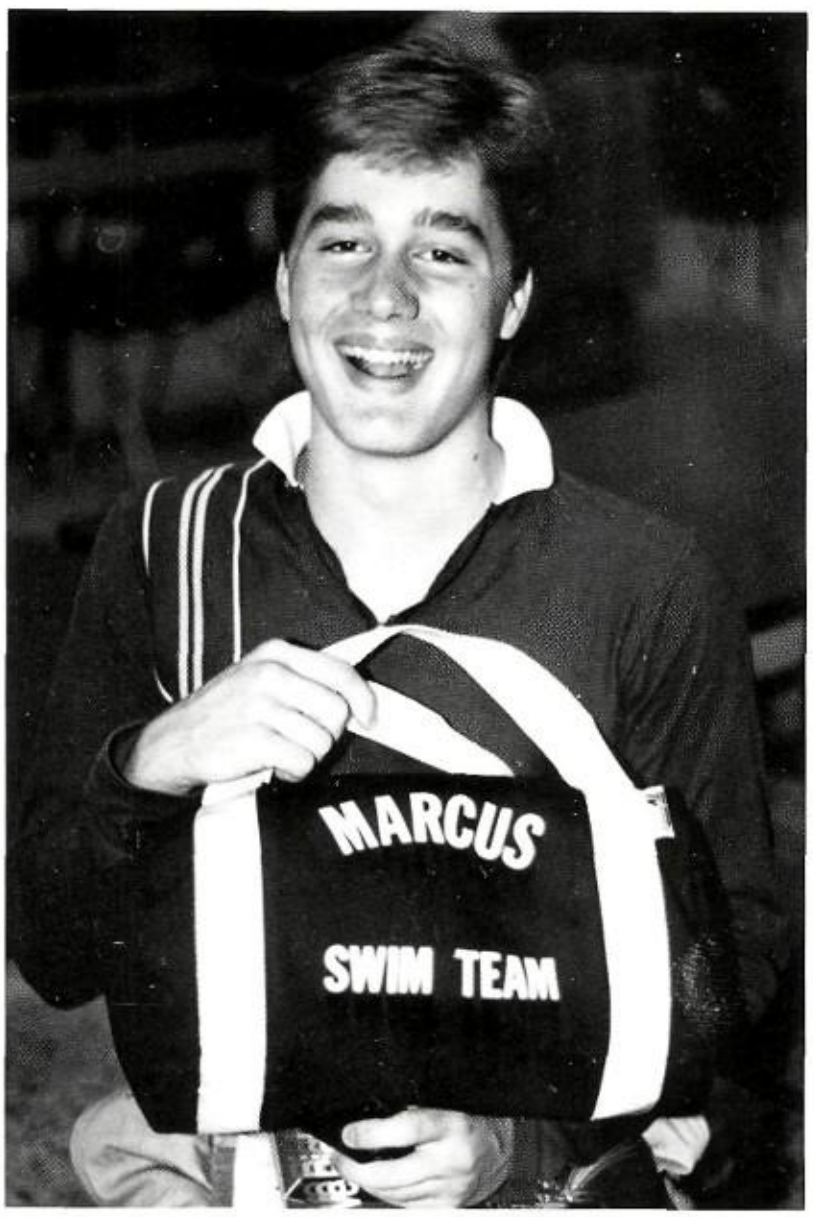
A champion is one who excels in a given area. The athletes at Marcus High school are all champions, at least in the eyes of the students and staff. Each one has excelled in his or her endeavor as well as maintaining a scholastic average of 70 or better in every course. A lot of concern was felt at the beginning of the year in reference to the "no-pass, no-play" rule. What we have discovered whomever we are . . .





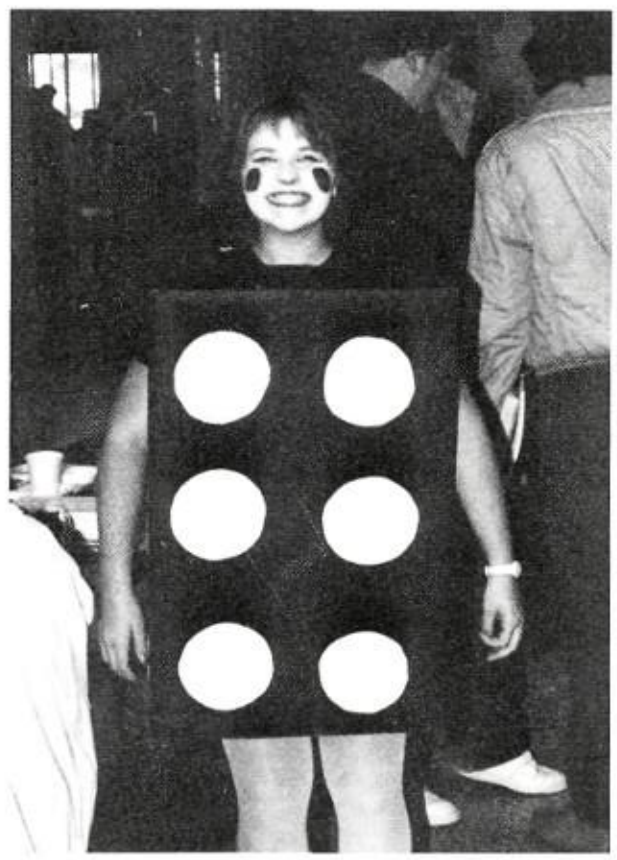






. . . athlete, student, staff, or parent, is that succeeding in one area makes it easier to excel in all. So we say thanks to all hose who met the challenges of the year, and provided all of us with a year of thrills and excitement on the playing fields nd areas of athletic competition.

HALLOWEEN REFLECTS STUDENTS' "SPIRIT"



Halloween is an occasion where you can become what you've always dreamed of being or what you wouldn't dare to be on any other day. This was certainly true on October 30 when many of Marcus' students dressed up not only to show their spirit, but to fulfill a dream, fantasy, or maybe even a nightmare! Costumes for this eventful day ranged from jesters to dominoes to genies.

PRECISION TEAMS PROVIDE GRANDEUR

The Marcus Marquettes have shown dedication through their hard work and long hours of practice. The past summer, the drill team went to camp and had lots of fun learning new routines and making new friends. During the school year the Marquettes battled their way through early morning workouts and after school practice sections. Their diligence was shown at pep rallies and games, which made this year worth every minute.

Lewisville has one of the best band programs in the state. This is shown through the spirit, hard work, and dedication of the Marcus Marauder Band. Through the year, the band has marched in parades, performed in concerts, and of course, had their spirit-raising half-time shows. The Marcus Band is a reflection on Marcus as a whole. It is full of pride, enthusiasm, and it is a classic.

In Concert

The Marcus Choir has done an outstanding job this year. Mr. Eddie Ranne, who has been teaching for eleven years in the LISD, conducts our choir. The group has performed several programs, including a Christmas concert, a PTA concert and a dinner theater featuring music from Broadway Shows. The Choir also competed in the U.I.L. contest and received superior ratings.

The Hoop Group, a Marcus spirit club, was formed at the beginning of basketbal season. Together with the cheerleaders, the Hoop Group performed and cheered to help keep Marcus spirit strong.

The 12-man team met every Monday and Wednesday under the sponsorship of Ms Nancy Tullos. When one Hoop Group member was asked if the time spent par ticipating was worth it, he replied, "Definitely, because you have the chance to mee new and interesting people."

DEBATE PERFECTS SPEAKING SKILL

Jeff Ratliff swears in witness Mike Dyess while Ms. Tillotson looks on.

Marcus' Debate Club was a club and a class in one. Their hard work was apparent in the various competitions they attended.

One such competition was the Mock Trial held in February with the History Club. The debate group placed third in this competition.

Ms. Tillotson, debate's sponsor, said she thought they had done a fine job this year and was very proud of them. According to their sponsor, the requirements for debate included the ability to research, read well, and speak well in front of a group.

Jeff Ratliff, Mike Dyess, Chris Tank, Lee Revels, Mark Schmidt, Brian Ragsdale, Marcus Hollman, Will Thornley, Orion Auld, Shawn Madeen, Michael Smithwick, Peter Polichetti, Steve Davis, Kelly Harris, Carolyn Franz, Jackie Thompson, Angela Simpson, Marybeth Patterson, Misty Shores, Laura Kirkland

MARQUETTES STRIVE FOR PERFECTION

The Marcus High School drill team, the Marquettes, have been a busy group this year, from try-outs back in May to football games in November to basketball games in January. The squad came at 8:00 every morning, Monday through Friday, during the summer to get ready for camp and the beginning of school. The Marquettes attended a Drill Team camp at S.M.U. over the summer. They came home with a Division 1 Superior trophy for their outstanding efforts.

Later in the summer they held their own camp at Marcus for girls ages 6-13. Team members said they had fun helping the younger girls learn the dances.

The 86 member team also performed at pep rallys, football games and basketball games. It takes total concentration from lieutenants, social officers, and line members to have an excellent performance.

Mrs. Nan Nowlin, the drill team's energetic director, did a great job not only teaching the Marquettes dances, but teaching them how to have a good outlook on life and how to be an important part of something.

THEATRE PRODUCES A CLASSICAL COMEDY

"Feiffers People" was presented on January 31 and February 1, by the Theater Guild students at Marcus. The production was a series of the imaginary character that Jule Feiffer himself made up and put into various skits that was based on humorizing the life of low income people.

The hilarious play held the audience's attention throughout the entire play, and everyone who went laughed harder as the play preceded. The comedy was executed very well by the talented actors and actresses; Heidi Ammon, Chris Caldwell, Andrew Dillon, Janis Ealey, Shelley Jones, Sandy Riegle, and Kira Rodenbush. The play was sponsored by Ms. Tillotson and Ms. Henderson.

WHAT DO YOU DO WHEN

What do you do when you're not in class? Read a juicy note? Work on your car after school? Hurry and finish that last minute homework you had put off doing?

This and many other things are what we found some of the students at Marcus doing. The time you spend away from classes is usually spent doing things that you really want to do. Weekends are the best for enjoying your spare time. Students wait all week for Friday and the weekend to do whatever they want.

Christmas Break and Spring Break are also great times to catch up on your favorite soap or a game of football in the front yard. These breaks help you get ready to face the last few weeks of school. Then when the last days finally arrive you have three months of relaxation to look forward to before the tardy bells start ringing once more in September.

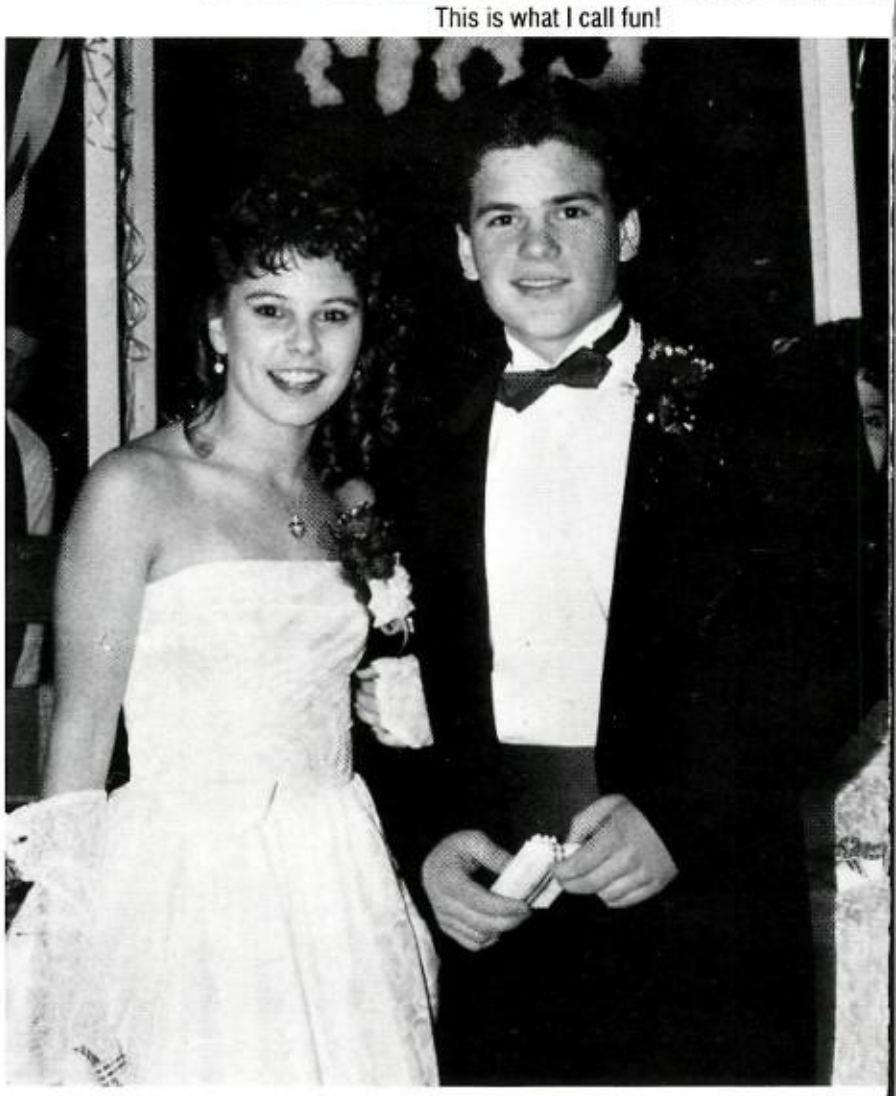
The cafeteria was, for each dance, wonderfully decorated by the Student Council under the supervision of Ms. Jones and Ms. Pearson. Individual groups were allowed to sponsor the dances. Drama sponsored the Christmas Social.

STUDENTS PRESENT ROYALTY

This is what I call fun!

Most Beautiful Sophomore: Renee Noss
Most Handsome Sophomore: Scott Boshaw



Friendliest Sophomores: Nicole Barber
John Farwell

Coming from the vast population at Marcus these students were chosen to represent the most beautiful, handsome, and friendliest people at Marcus. The students vote for their representatives after an involved process of choosing the candidates. It is a great honor to be chosen and the people who were chosen will be known by all students as members of the Royal Court.

one step AHEAD

This year's girls' track team was tremendous. The freshmen, even though small, were very strong athletes. Girls' track participants are freshmen: Stephanie Luna, Meredith Phillips, Shannon Moon, Michelle Bodnor, Misty Morse, and Jana Howard, Rachel Dye, Melisa Greenlee, La Conda McLane, Amy Raynor. This year's sophomores are also very strong. The participants are Tara Tsakonas, Kristal Hodge, Lisa Botello, Monica Martinez, Terri Newsom, Jannele Podilla, Lesley Thompson, Shannon Lunsford, Nikkie Millard, Sheila Bell, Wendy Story, Dena Addy. The bottom row is: Kris Hunter, Cindy Matthews, Candi Smith, Cheryl Jackson, Natalie Harris, Allyson McBride, Rachel Monroe, Karen Blanchard, Desiree Diaz, Chrissie Pinkerton. Ms. Teresa Smith is the coach.

:The 1985-86 school year is the first year for the Marcus swim team to participate on a varsity level. The team, coached by Suanne Buschang has had a very successful year with victories over such teams as LHS, Mesquite, Sherman, North Mesquite, Grand Prairie, and South Grand Prairie. Many of the team members went to district. Team record holders are: Teresa Bain, Kristee Thomas, Jennifer Murphy, Patty Olinger, Christine Bobbitt, Kerry Mears, Sue Hauck, Bruce Smith, Scott Wilson, Jimmy Dalton, Bobby Cullen, Brian Gargan, and Dale Kildal. The team swims 10 events regularly at meets. They are: 200 yard medley relay, 200 yard I.M., 200 yard freestyle, 100 yard freestyle, 100 yard back stroke, 100 yard butterfly stroke, 50 yard freestyle, 500 yard freestyle, and 400 yard freestyle relay. Diving is also included at the meets.

Practice Time

The Lady Marauders enjoyed a very successful soccer season with only one defeat coming from the feet of 2nd ranked Bishop Lynch. Other memorable games were the shoot-out with Grand Prairie at Farmer Field and the contest at Clark stadium on the astro-turf of Plano High. Defensively the Lady Marauders allowed less than two goals per game while offensively averaging four goals per game.

"We are a very young team with a lot of freshmen. We will take our lumps this year, but it will make us a better team later," stated Coach Laughlin about the Marcus baseball team. The guys expect much competition from other teams in the league, especially from the Plano group.

The team had three returning players. The coach feels that he has a strong group.

The coach also said, "We will be hurt at first by the splitting of the schools, but in a couple of years we should be all right."

The team giving their all

"We played hard this year, but not hard enough to win the big one," stated Ms. Redding, coach the Marcus volleyball team. The A team posted an 8 wins 4 loss season and the B team a 5 win loss season.

"I thought Marcus should have won the District title, but with the no pass/no play rule instigated is year, several of my starters were ineligible."

The team placed fourth in the District tournament and second in the Marauder First Annual e-District Tournament.

Outstanding players throughout the year were Lori Davis, Tammie Smith, and Megan Urban. ost spirited players were Christi Martin and Michelle McMullen.

Redding feels that the school divisions next year will have little effect on the volleyball program Marcus.

The 85-86 season was marked with hustle and improvement by a dedicated few. Outstanding offense was from Judy Georgen, Shelly Foster, and Debra Ward. Outstanding defense Was Janna Alcoze. Most improved was Lisa Bowery. Coach Shoemaker says she hopes the year was a learning experience in order to build a strong foundation; a foundation needed next year against the new varsity competition.

The coach was Jeff King. aid that the guys learned that you don't always get what you , even when you work hard and give it your best effort. When the was behind 15-20 points, he felt the team played as if they were a few points behind. He also added that Glen Buck was on his o becoming the key player until he became ill and had to miss ast 5 games. The other players did their jobs well throughout game. It was a classical basketball season, in spite of the d.

The Marcus High School Freshmen Boys Basketball Teams had a good year. Coach Robert Rockwell coaches the "A" Team. Coach Bruce Armstrong coaches the "B" Team. The season, lasting from November to February, was filled with exciting games against Denton, Carollton, Plano, and Sherman. Both coaches said they had a fine year. The teams worked hard to prepare for competition. The biggest improvement throughout the season was team work, according to players.

The Marcus Student Council is an organization that helps boast the spirit and pride within our student body. There are 20 members for each class and four officers.

The Marcus Student Council attends conventions and participates in public service projects. The Council sponsors Teacher Appreciation Week, special events at Christmas and Valentine's Day, bought the traveling sign for the Commons area, and enters various competitions in the state. These students are certainly classics at MHS.

NATIONAL HONOR SOCIETY

The National Honor Society is a national organization that requires hard work and dedication. These students have been chosen from the student body based on their grades, citizenship, honor, courage in themselves. They maintain an overall average of 90 percent or better. During the year, the National Honor Society participates in many service projects to benefit the organization itself, the school, and most importantly, the community. On teacher in-service day some of these students spent two hours helping teachers grade and prepare for the following semester. Sponsors of this outstanding group are Ms. Clair Mullins and Ms. Annette Horne. These honor students are a real touch of Classic.

MATH CLUB

Mr. Gerald Cardwell, sponsor

Ms. Diana Brown, sponsor

The Marcus Math Club, also known as M²C, is open to all students. The two sponsors are Ms. Diana Brown and Mr. Gerald Cardwell. The Math Club meets monthly, with different speakers. Three topics covered were supermarket UPC codes discussed by Mrs. Brown, Mr. Cardwell talking about Halley's comet, and Mr. Winford Groves and Mrs. Lynn Feaster spoke on probability. Officers include President — Michelle Adams, Vice Presidents — Julie Bennett and Shane Freeman, and Secretary — Misty Freeman. Beginning in the spring, the math club meets in conjunction with Mu Alpha Theta, a national organization to recognize scholarship and promote interest in all fields of mathematics. Marcus' chapter of MAΘ is one of 1200 in the nation. An initiation ceremony was held for the 70 out of 88 who accepted memberships in MAΘ. The qualifications were 1)Four semesters of college preparatory Math courses; 2)a current enrollment in an additional college-prep math course; and 3)a semester average of 85 or higher in regular classes or an 80 or higher in honors classes. These math students all add to a classical MHS.

Below — Runner-up team at trial

The History Club at Marcus gives a perfect opportunity for its members to compete in contests, participate in taking field trips, and benefit from lectures presented by guest speakers. In addition, the members are given the chance to enhance their historical knowledge. In December, the club took a trip to Fort Worth to observe a court case and talk with attorneys. On Feb. 1, the History club was a part of the Mock Trial. Trophies were awarded for first and second place teams. The first place team then advanced to the Regional Competition where it placed third. A participation in the North Texas State University state-wide history contest was another project. To receive honorable mention or better is considered to be a great achievement. This group met the first Friday of every month under the guidance of sponsors Ms. Jennings and Ms. Killian.

Spanish Club enjoys traditional pinata at Christmas party

P.A.S.F. (Pan American Student Forum) is otherwise known as the Spanish Club. This group started two years ago at Marcus. The purpose of this club is to encourage a respect for all nations in the Americas and an understanding of them based on a more thorough knowledge and appreciation of the peoples of the Western Hemisphere. This year they raised money for the Mexico earthquake and South American volcano victims. They also had a fajita dinner and bake sale. For Christmas they had a piñata party. They went to San Antonio March 14-16 to attend the state meeting to elect the officers for Texas. The Spanish Club tries to meet every other Tuesday. Ms. Ramirez is the head sponsor. The other sponsors are Ms. Tekell, Ms. Wilson, Ms. Phillips, and Mr. Brower. The officers for 85-86 are: President — Lee Presley, Vice President — Cindy Yonker, Treasurer — Laurie Schafer, Reporter — Molly Arnold, Secretary — Cathy Jordon.

There are thirty-two members. Requirements for membership are at least one year of Spanish, and for Associate members there aren't any requirements. Ms. Ramirez said, "This year is even better than last year."

The Marcus French club is an organization that teaches its members about the language, background, people, and art. The French club has participated in many events during this school year. The members participated in "France by the Sea," which was the Neiman Marcus Fortnight. They had a Christmas party where the members made a Christmas cake called buche de Noel. The group all went to a movie "Subway" in Dallas. French Club members enjoyed a crepe party. Ms. Bahr demonstrated three ways to make crepes. The students then filled them with ice cream and fruit. In the spring they joined the German and Spanish clubs and participated in a Cultural Food Exchange. Students make a dish typical of the country of the language they are studying, and they taste the foods of other countries. These students are real classics in our society. Sponsor is Ms. Moore.

Future Farmers of America is an organization that develops job skills, cooperation, and animal care. These students learn how to breed, raise, and care for a stock animal. Then these students enter their animals in contests and sell them for money. The profits they receive covers how much they paid for the animal and the animal's feed. These students are classics to remember.

Christmas Goodies

Faculty enjoys Christmas

The Future Homemakers of America are one of the most active groups at Marcus High School. They participated in selling M&M's, having a Christmas party for teachers, releasing helium balloons, sponsoring canned goods drive, and competing at state meetings. This year's meeting was held in Dallas. In May, the FHA and HERO combined and honored outstanding members with a dance. The FHA sponsors are Ms. Friend, Ms. Carpentar, Ms. Mears, and Ms. Bahr. The FHA has accomplished some really classical work this year.

P.E.L.E. (Pre-Employment Laboratory Experience) — A child care program. The sponsor is Ms. Bahr. Three days a week these outstanding students go to an elementary school or Day care for two hours. This organization is opened to both male and female during the first and second periods of a school day. In order to be a member you must be a sophomore and meet the application requirements. These students really know their stuff when it comes to being real classics.

DECA

Students talk about the career choices in the real world.

Pam Jenvey, reporter; Stephanie Barbe, vice-pres.; Eric Barrett, sec.; Alicia Thomas, treas.; Sond Allen, pres.

DECA is an anachronism for Distributive Education Clubs of America. It is a student organization that studies marketing and distributive techniques. Some of the club events included a co-sponsored dance with Lewisville High School and a large banquet in the spring. The officer installation was on December 20. The officers are: President — Sondra Allen; Vice-President — Stephanie Barbe; Secretary — Eric Barett; Treasurer — Alicia Thomas; and Reporter — Pam Jenvey. Ms. Phyllis Asplund is the Deca sponsor. Decca seeks to achieve its purposes by creating interest in all phases of marketing and distributive studies. It serves as a way of expression for individual talent. It is truly a classic group on the campus.

VOCT

CVAE is the only Co-op class on the Marcus campus at this time. Another name for it is the "work program." The students in this class attend class 4 periods a day and receive credit for the other two for working at jobs in the community. They may work at any job and currently students are employed in a range of jobs from the fast foods to a funeral home.

There is also a club that is an integral part of the class. It is called VOCT. This year the students adopted a needy family at Christmas time and provided gifts and the Christmas meal for them. They also had a Christmas gift exchange and pizza party before the Christmas break.

They sold candy for their year-end employee-employer banquet. They honored the Employer of the year and the Employee of the year.

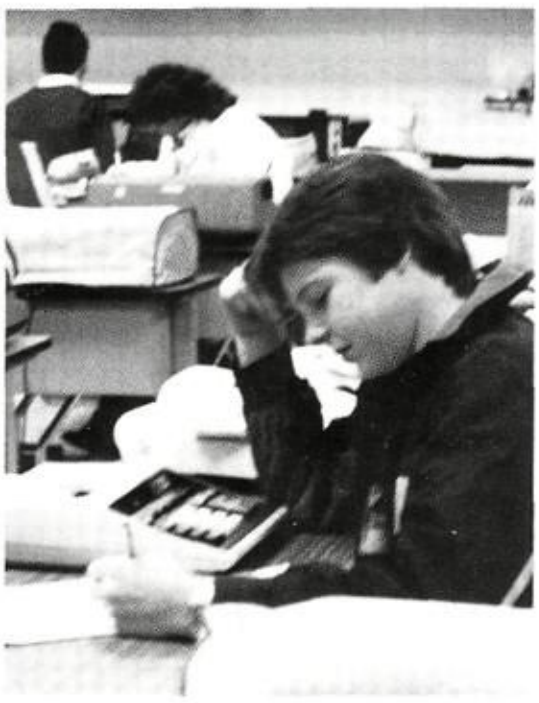
VOCCT



John Peters studies a bit of theory in his office duplicating class

Todd Brand, Chuck Graham, Sue Wooten, Leah Torbell, Marc Zipfel, Ms. Gatlin, Christy Ware, Becky Rustvold, Sandra Gordo Sherma Parsons, and Brian Holbrook.

VOCCT means Vocational Office Careers Club of Texas. It is for students in the CVAE Office Duplication class taught by Ms. Lois Gatlin. The club enables students to be involved in additional office techniques, and better ables them to locate office jobs after graduation. Requirements for VOCCT are to be enrolled in the class and to attend the monthly meetings. When a student excels in any area, they will compete with students from other clubs in the area, district, and state. In the class, students learn to handle money, engage in money-making projects, such as duplicating and selling personalized notepads to teachers, and they are also responsible for duplicating many materials for the school. The students of VOCCT add a touch of class to MHS.

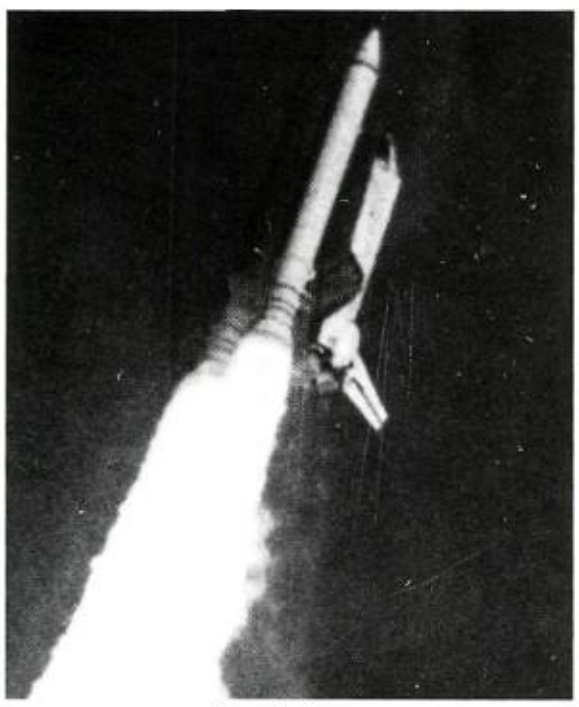
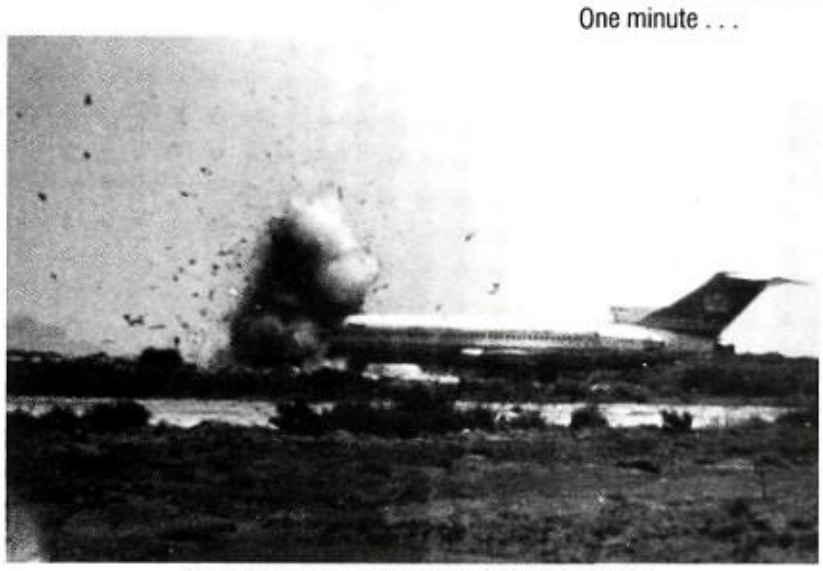
YEAR IN REVIEW

The seven astronauts of the ill-fated journey Challenger



One minute . . .

. . . then the next



One of the many aviation accidents this year

Halley's comet made its appearance in 85-86

The sad ruins of the Mexican earthquake

A survivor of the Colombian volcano and mud slide

YEAR'S EVENTS CREATE CLASSICAL JOY-GRIEF

The 1985-1986 school year was a time of friendship and growth for many people. It also was one of the worst years for national tragedies. The explosion of the space shuttle Challenger on January 28 was a shock to everyone. Christa McAuliffe, the first school teacher in space, as well as the other six astronauts who were killed, were mourned by many.

1985 was the year with the most airplane crashes in the history of aviation. There were many crashes, with deaths ranging from over 500 to just a few. The crash of Delta flt. 191 at D/FW airport struck close to many, with 134 out of 160 passengers dying.

Hijacking was rampant, from TWA's flt. 847 to the Achille Lauro, both resulting in one death. The earthquake in Mexico and Colombia's volcano/mudslide cost thousands of lives.

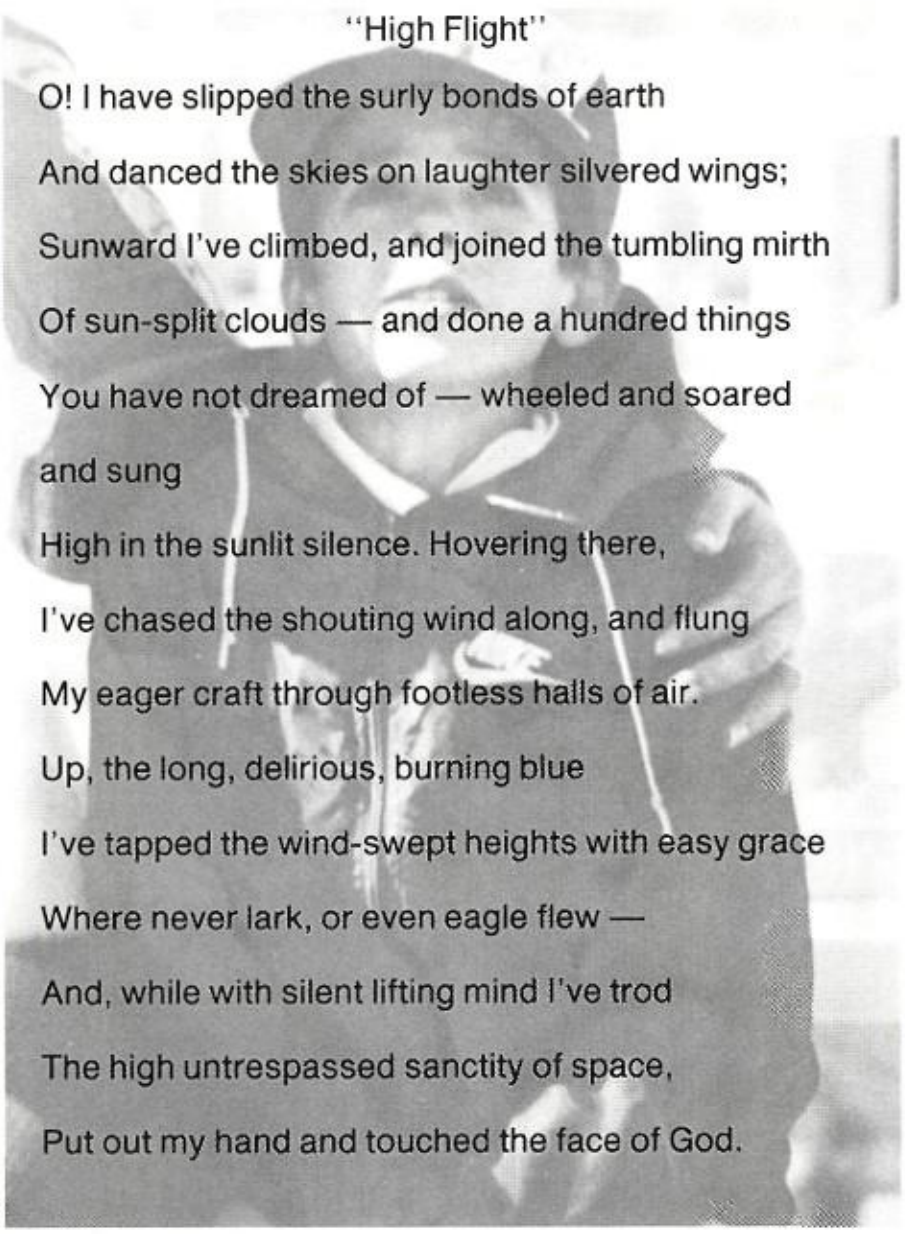
Halley's Comet made its second appearance this century, not to return again until 2061. The Statue of Liberty's restoration is still going on as this process will take many months.

Prince Charles and Princess Diana visited the U.S. in November of 1985. The White House dinner was much publicized as there were many celebrities in attendance.

The Titantic was discovered 73 years after having sunk 400 miles off the coast of Newfoundland in 12,000 feet of water. Many closeup pictures were taken with underwater cameras. USA for Africa held the Live Aid concert July 13, 1985, raising 70.5 million for the famine in Africa. The apartheid movement in South Africa caused many deaths of violence. Phillipine leader Ferdinand Marcos claimed victory over Corazon Aquino in their Presidential election, but was forced to leave office because of widespread fraud in the vote counting.

Two Dallas doctors won the Nobel Prize for their work with cholesterol. They were Joseph L. Goldstein and Michael S. Brown.

In sports, Lewisville HS advanced to Bi-district in the state playoffs.Texas A&M captured the Cotton-bowl title over Auburn with a final score of 36 to 16. The Kansas City Royals won the World Series in baseball over the Saint Louis Cardinals. Pete Rose broke Ty Cobb's previous record of 4,191 hits. The Chicago Bears were Superbowl champions winning against the New England Patriots 46 to 10. William "Refrigerator" Perry gained fame as the Bears 308 lb. linebacker. The East won the NCAA All-Stars game at Reunion Arena, recapturing the title that they lost the previous year.



"High Flight"

O! I have slipped the surly bonds of earth

And danced the skies on laughter silvered wings;

Sunward I've climbed, and joined the tumbling mirth

Of sun-split clouds — and done a hundred things

You have not dreamed of — wheeled and soared

and sung

High in the sunlit silence. Hovering there,

I've chased the shouting wind along, and flung

My eager craft through footless halls of air.

Up, the long, delirious, burning blue

I've tapped the wind-swept heights with easy grace

Where never lark, or even eagle flew —

And, while with silent lifting mind I've trod

The high untrespassed sanctity of space,

Put out my hand and touched the face of God.

Poem by John Gillespie McGee who died in combat at the age of 19. Ben Provacal, nine, watches as a classmate's mother soars to her death.

A CLASSICAL COMMENT

As editor of the 1985-1986 Marcus yearbook, I would like to thank many people. Without them, making the yearbook would have been impossible. Our photographers Mike Knox and Ted Brown took excellent pictures with no complaints at late notice. Mr. Eads took the group pictures. All of these pictures really made the yearbook. The faculty was so very helpful with the questionnaires and were patient with interrupted classes to identify pictures. A special thanks to Mr. Sigler for his purchase of the new photography equipment and continuous support of the journalism staff. Ms. Diane Schutt and Taylor Pub. Co. also were very much appreciated. Last, but not least, Ms. Clark, our advisor, helped us whenever we needed her. She kept us going when we slowed down, and she was always there. Thank you again for everyone's help, especially to the students at Marcus High School.

AND SO WE VENTURE FORTH . . .

Many memories will remain with us as we go our separate ways — to The Colony HS, Lewisville HS, and those remaining at Marcus HS. We will remember the sports events, the clubs, and other activities during the 85-86 school year. The poem reflects several students' thoughts of Marcus.
